

Driving Change Through Sustainable Innovation 🌱

In June, **terrapaq™** joined the **Plastic Biotransformation Technology Seminar in Penang**, connecting with sustainability leaders and industry partners to explore greener solutions for the future.

We were honoured to welcome **YB Dato' Seri Sundarajoo Somu** to our booth and share how terrapaq™ supports businesses in moving towards more sustainable packaging choices.

Festive Focus

Team Spotlight

Supporting a Greener Campus Community

We are proud to sponsor terracup for the **Xcelerate 2026 XMUM Run, organized by Xiamen University Malaysia**. Through this collaboration, we are supporting an active lifestyle while inspiring students and participants to make more sustainable choices and embrace greener habits within the community.

Together, we believe that every small action can create a bigger impact toward a more sustainable future.
