Introducing Our Mooncake Festival Collection

Celebrate the Mid-Autumn spirit with elegance and tradition. Our exclusive packaging blends festive charm with modern design, perfect for meaningful gifts. Whether for loved ones or corporate giving, each piece reflects the season's beauty and warmth.

Visit our retail store in Taman Segar to explore the full collection and find your festive favorite.

We are now MyHijau certified!

We're proud to announce that Metropoly Packaging Sdn. Bhd. has officially received MyHijau certification, Malaysia's leading recognition for genuinely green products and services. This milestone reinforces our commitment to sustainable innovation, offering biodegradable packaging solutions that are not only eco-friendly but also government-recognized. Join us in driving a greener future, one product at a time!

Green shift starts with a straw!

terrapaq™ is proud to launch our campaign promoting everyday sustainability, starting with something as simple as a straw. Our biodegradable straws are now available as free samples for anyone ready to make a small change with a big impact.

Scan the QR code to get your **free** sample kit today and join the movement toward a cleaner, greener future.
